## **StaffingSolutions Announces OSHA 10-HOUR Occupational Safety and Health Seminar**

**Westminster — May 05, 2003**— Today StaffingSolutions announced it will be holding an OSHA Outreach Program Seminar for area business June 17-18, 2003. The seminar is offered by StaffingSolutions in response to requests from area business for programs which increase awareness of OSHA regulations and procedures. In light of anticipated premium increases for workers compensation insurance for business, the benefits of this training extend beyond OSHA compliance issues to broader safety and injury prevention awareness for all employers.

Advance registration is required for The OSHA 10-Hour Occupational Safety and Health Training Course sponsored by StaffingSolutions. The training will be held June 17-18, 2003, from 9am to 3pm each day, at Front Range Community College, College Hill Library, 3645 W. 112<sup>th</sup> Avenue, Westminster, at no charge to StaffingSolutions clients. Contact Jason Wykoff, StaffingSolutions, Westminster Branch, at 303/457-0900 to obtain additional information or register.

“The OSHA 10-HOUR Occupational Safety and Health Training Course is designed to help managers bring their companies into compliance and receive comprehensive information about standards and training required by OSHA ,” said Julie Maydew, Area Manager of Staffing Solutions. “The program is presented by OSHA General Industry Outreach Program Authorized Trainers and offers course curriculum approved under the OSHA General Industry Outreach Program.”
